Costs

Lesson Policies:

1. Registration is taken at Poquoson Office of Community Recreation. No call-in registration is taken and no spots for classes are held over the phone.
2. **Switching from one session to another:** If for some reason you need to move a child from one session to another, this must be done at the Office in person. **No switching is permitted over the phone and new paperwork must be completed to do so.**
3. Children may only be registered for one session at a time. Once the session has completed 1 week (half through the classes), parents are encouraged to discuss progress with your instructor about re-enrolling for the next session.
4. Class Size: All Level classes are limited to 10 participants.

5. Refunds are only given in the event of sickness with a doctor's note. However, if space is available children can be moved to an alternate session. This notification must be done in person, and must be given prior to the start of the first class meeting time. No make-ups are given for vacation/sickness or other absences. If a child misses the last day of their class, progress certificates will only be available up to 5 days following the day of your last class. After that time the Instructor holds no responsibility for paperwork.
6. Pool staff reserves the right to combine or cancel levels when class minimums are not met.
7. No registration is taken at the Pool.

Level Classes: \$55.00

Little People, Ducklings: \$45.00

Non-residents: Additional \$10 per class, per child, per session. Students may only enroll in 1 session at a time.

6. Children registered for a class which they are not qualified for or, may be overqualified for, once evaluated at the first class meeting, will be placed correctly at a time where there is space available, as to not overload classes. This may or may not be at the original time and is based on availability.

All classes follow the American Red Cross Learn to Swim Curriculum.

Pool Address: 16 Municipal Drive, Poquoson VA
